Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the closest prior art reference of record is the patent to Frese II et al. (RE38,598). However, the patent fails to teach or suggest the feature of receiving over a network a request to install a plurality of components into a hosted environment and installing the plurality of components into the hosted environment in a manner that allows a party to execute the plurality of components over the network.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Chavis whose telephone number is (571) 272-3720. The examiner can normally be reached on M-Th, 8:30am-5:00pm, EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kakali Chaki can be reached on (571) 272-3719. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
